Dear Devon,

Following our previous communications could you please update me on few points with regard to visit to Kazakhstan, that is being planed after Meetings in Kiev.

Dates; do you have an understanding as to the exact dates of travel?

Counterparts; whom do we plan to meet, on what level, top management including politics only, or should we engage our geologists/experts with us also?

Contents of the talks; what topics, directions of cooperation we are planning to discuss?

If we are to talk about possible working with gaz fields in Kazakhstan, it would be very helpfully to receive from Kazhah side any possible preliminary information on the gaz fields, areas, etc, that could be subject of talks, so that our geologists/experts would prepare information for our delegation to conduct productive negotiations.

Have you got any news as to Nikolay's visa issue?

Best regards, Vadym

主题：哈萨克斯坦访问/签证问题

德文，

基于我们之前的沟通，请问你能向我介绍关于在基辅会议之后计划进行的访问哈萨克斯坦的几点最新情况吗？

日期；你是否了解旅行的确切日期？

接见方；我们计划见谁，是什么级别，只会见包括政治人物在内的高层管理人员，还是应该也让我们的地质学家/专家一起参加？

会谈内容；我们计划讨论什么主题、什么合作方向？

如果我们要讨论与哈萨克斯坦的天然气管道合作的可能性，如果能从哈方收到关于可能成为会谈主题的天然气管道、地区等的任何可能的初步信息，将非常有帮助，这样我们的地质学家/专家将为我们代表团准备信息，以便进行富有成效的谈判。

关于尼古拉的签证问题，你有什么消息吗？

祝好，瓦迪姆
